Transmit census of
of the Haapa and Klamath
-Ath Indians. Says
the census was taken
under the supervision
of Maj. Andrews, late
Agent, by Dr. Michel.
Believes they are not
correct, and being with-
out clerical assistance
can not correct them
in time. Encloses
a summary of a cen-
sus of Klamath Ath-
in Aug. 1881, by a Soldier.

United States Indian Service,

Haapa Valley

Agency, Ore

Augt. 12th, 1886

Hon. Commissioner

Indian Affairs, Washington, D.C.

Sir: In obedience to instructions contained in your letter of the 18th of May last, I have the honor to enclose a table exhibiting the census of the Haapa Valley Indians, also one showing, or purporting to show the census of the Klamath people, on the reservation at the mouth of that river.

The census of the Haapa Valley Indians was taken under the supervision of Major S. H. Auden 21st Infantry, late agent, and I think it is correct except in minor particulars. The census in both cases was taken by the agency physician, Dr. W. H.

United States Indian Service,

Agency,

188

Michel, a gentleman wholly un-qualified to do any reliable cler-ical work whatever. Being without the necessary clerical as-sistance I am compelled to send the papers on just as they came to me, but I deem it necessary to enclose a summary of a census taken of the Klamath people in August 1881, by Pri-vate Paul Sartorius of the Company E 8th Infantry, which very materially differs from Michel's census, and is with-out doubt a correct one.

It is appended to this letter and marked A.

I am now so continuously employed in more important work with the Indians of this

United States Indian Service,

Agency,

, 188

valley, that it would be im-
possible for me to make the neces-
sary connections in these records
and get them to the Indian Office
in proper time.

I am Sir,

Very Respectfully,

Yours and Sent
Wm. D. Douglass.

Capt. 1st Regt.

Army, Wash.

Note: The missing numbers
show only 441 days.

August 3rd, 1892

Hon. Commissioner
Indian Affairs
Washington D.C.

Sir,

I have the honor to forward herewith Census Roll of the Hooper and Klamath Tribes of Indians on their Reservation. This being the first Census taken of the Klamaths, I have encountered some difficulties in securing it. I think it is as near correct as possible though a few may have been missed. I find among them a lack of names that can be pronounced or written as Family names, though all of them have something like a Christian name.

The ages given in most cases is a matter of opinion.

United States Indian Service,

Agency,

, 18

Among all of the Indians here,
as none of them know their own
ages, or the age of their children
except when they are quite young,

Respectfully

Your Obedt. Servt.

Isaac T. Beer

Naapa Valley Agency, Cal. Aug 13th 1893
 The foregoing census of the Naapa Indians was taken by Dr. F. L. Hallam, Agency Physician and Mr. William Doherty, Agency Clerk, in the month of August. A census of the Lamen Klamath could not be taken without delaying the return beyond the time prescribed for its rendition. The statistics of last year must be taken for the last named Tribe.

Actg. Dir. Agent.

Encloses the Census Roll

United States Indian Service,

Naapa Valley,

Agency,

California.

July 12th, 1896

The Commissioner of Indian Affairs

Washington, D.C.

Sir,

I have the honor to enclose herewith the census
-roll of the Naapa Indians of this agency for
the latest year ending June 30th 1896.

The census of the Naapa Indians of this Naapa Indi-
-ans was not taken this year, for two reasons
viz:

1st. The Indians are now taking the allotments
are now entering upon a first stage of civiliza-
tion, with some of its responsibilities and respon-
-sibilities to the State.

2nd. I think it advisable, and in accord with
-federal policy, to withhold, when practicable,
such administrative supervision as would keep
the Indians in the belief that they are more depend-
-ent upon the Federal Government than upon that of
the State, or more intimately connected with it.

I am, Sir, very truly, your obedient servant,

Wm. L. G. [Signature]
